

No-Sew Superhero Capes

Materials Needed:

- Large old t-shirt
- Scissors
- Marker
- Felt
- Strong glue (Glue gun, fabric glue, or tacky glue)
- Velcro

Activity Instructions:

1. Lay shirt flat on a table
2. Cut off the sleeves of the shirt. You can use a marker to trace the outline if child is able to safely cut the shirt themselves
3. Starting from the bottom of the shirt, cut both sides of the shirt up to the arm opening
4. Open your t-shirt and lay it flat on the table so you can see both sides with the neck opening in the center
5. On one side of the shirt, cut around the neckline. You will only be leaving the neckline on this side of the shirt
6. Trim the sides of your shirt to make a nice cape shape
7. Cut the neckline in half and glue velcro for your child to easily put on and take off their cape
8. Decorate your cape by cutting out shapes or letters with felt and gluing them on
9. Allow to dry
10. Put on the cape and go out and save the world!
