

## Runaway Train

### Materials Needed:

- Large storage bin
- Things to put in the storage bin:
  - Small items (i.e. dolls, Legos, animals)
  - Heavy items (i.e. canned goods, water bottles)
- Large pillow
- Small pillows or plush dolls
- Optional: a rope to pull the storage bin with

### Activity Instructions:

1. Load the train by placing heavy items into the storage bin
2. Push the storage bin (or pull with a rope) to get the train to safety
3. Parent to throw small pillows or plush dolls
4. Block the objects using a large pillow. Don't let them hit the train!
