

## Making Ice Cream

### Materials Needed:

- Large Ziploc bag
- Small Ziploc bag
- 1 cup Rock Salt
- 1 cup Juice
- 1 cup Water
- 2 cups Ice

### Activity Instructions:

1. Pour juice into the small Ziploc bag and seal it shut (If you don't, your ice cream might be salty!)
2. Add the water, rock salt, and ice into the large Ziploc bag
3. Place the small Ziploc bag of juice into the large Ziploc bag containing the ice, salt, and water
4. Seal tightly
5. Shake the bag (see video for different ways to shake the bag)
6. Take the ice cream out of the bag and enjoy!
